# Career and Technical Education Matters

*“For me to see this child walk across that stage at graduation in June 2013, there will be a puddle of water at my feet...I thought he would be an 8th grade dropout for so long. I have no idea where this child would be without all he has learned from all of you at the Automotive Technology Center”*

-Kim Austin,  
Mother of Corey Deal, *Automotive Technology Student*
